Experience one of the most enchanting and culturally rich countries in the world. From beautiful scenery, friendly locals, fascinating history and delectable food and drink, there are countless reasons to visit Ireland. Ancient castles and ruins, mystical stories and legends, rolling green hills, crashing waves and quaint rural villages await you.

Our adventure will begin in Dublin, one of the world's top 10 cities to visit! This invigorating Viking city is at once modern and historic, exciting and relaxing. Whether you would enjoy walking through the streets of story-filled history, or strolling into an old Dublin pub for some fish and chips, you are sure to have a magical adventure.

Next, we will head to the gateway to southwestern Ireland, County Limerick. There, we will enjoy the newly renovated castle resort, Adare Manor. It is rated one of the top castles to visit in Ireland and it does not disappoint. Enjoy a round of golf or take a stroll through the 840 acre estate. Located just outside the gate is the postcard perfect, Adare Village, where you will find traditional cottages and ancient stone walls that preserve the spirit of an unspoiled Ireland.
