- Agents must be licensed and appointed in all states in which policies are written, must submit and issue the qualifying number of policies during the bonus qualification period, and must be in good standing with Aflac at the time of payout.
- Bonus eligible policies exclude guaranteed issue and underage disability business as permitted.
- Bonus eligible policies include Aflac Medicare Supplement Insurance coverage underwritten by Tier One Insurance Company, a subsidiary of Aflac Incorporated and administered by Aetna Life Insurance Company.
- Bonuses will be calculated 30 days after the qualification period ends, or the following business day. Policies must be active at the time of bonus payout with paid to date greater than the effective date and remain in force for 90 days to avoid chargebacks. Policies submitted and issued during the qualification period but not yet activated will be considered during the next bonus period.
- Payouts will be made by the same payment method as commissions are received during the payment cycle, following calculation and approval.
- Aflac makes the final determination on bonus program eligibility, reserves the right to make adjustments to payouts, and may discontinue or amend the incentive program at any time.
