Bonus campaign guidelines

- At least six underwritten plans, or a mix of underwritten plans and open enrollment plan N, must be sold from **January 1, 2025, through March 31, 2025**, to receive a bonus on open enrollment business. Once the requirements have been met, the bonus will apply to all sales made during the bonus period.
- Qualifying Medicare Supplement sales include underwritten and open enrollment issued plans.
- Plans must be issued and in force for a minimum of 90 days, with premium paid, to qualify for the bonus.
- Once an agent sells 20 or more underwritten policies, the Tier 2 bonus amounts will apply to all qualifying policies sold within the bonus period. At least six qualifying plans must be sold. Qualifying plans include underwritten, open enrollment plan N, or a combination of both.
- Agents must be appropriately licensed and appointed by the insurer, National Health Insurance Company or American Heritage Life Insurance Company, for which the product was sold and on the date the sale was made and bonus paid.
- Bonus payments will be made to the same agent or agency that receives commissions for the sales of Allstate Health Solutions Medicare Supplement insurance plans.
- Bonus money will be considered taxable income and reported on recipient's FORM 1099-MISC.
- Bonuses will be paid no more than 100 days following the end of the bonus campaign.
- All usual commission and persistency rules apply.
- Allstate Health Solutions reserves the right to cancel, suspend, and/or modify the bonus campaign at any time, as well as to make the final decision on all payments.
