GENERAL RULES

1. Sales must be on plans sold during the contest period having effective dates of Jul 1, Aug 1, or Sep 1.
2. Promotional payouts will be paid in the month following the effective date.
3. All promotional payouts in the month after their effective date will be paid at the base level of \$10. After the conclusion of the promotional period, NCD will reconcile all policies written and their persistency and payout the additional amount based on the number of policies still active.
4. All plans sold during the promotional period must be paid up and effective through the entire promotion.
5. Group Sales are excluded.
6. Call Center and LOA agents do not qualify unless previously agreed upon.
7. Included products include all products from Nationwide Policies and MetLife Essentials and Complete Only.
8. Vision plan must be sold at the same time as the dental plan and be attached to the dental plan to qualify (stand-alone vision plans do not count towards promotion).
9. Questions should be addressed directly to Account Executives.
10. Chargebacks are applicable, so if it doesn't stay on all the way through the contest, then you get charged back.
