INCENTIVE PROGRAM RULES: To be eligible, the following requirements and conditions must be met and acknowledgement and agreement to all terms.

1. You are eligible for the All in, all Summer incentive and registration is not required.
2. Eligible product applications are those submitted online with EFT payment only from June 1 through September 30, 2026. Applications submitted with non-EFT payment will not count towards the incentive baseline and will not be eligible for bonus payout. The following eligible products are: TriTerm Medical, Health ProtectorGuard, Short Term Medical, HPG Guard, AdvantageGuard, HospitalWise, Hospital SafeGuard G.I., Accident ExpenseGuard, Accident ProGuard, Accident ProGap, AccidentWise all of which underwritten by Golden Rule Insurance Co., and noninsurance products Mind Your Health, HealthiestYou (both administered by Teladoc Health) and New Benefits (administered by New Benefits LTD). All other products, and optional benefit riders do not count toward this bonus opportunity.
3. Applications that meet the following criteria will apply toward the incentive: (a) Applications from one of the eligible products listed above only; (b) Submitted between June 1 through September 30, 2026, and issued by October 15, 2026 (c) with a “paid to” date past the effective date; and (d) an effective date no later than November 1, 2026 (e) meeting any other stated criteria to be eligible (e.g. baselines).
4. Baselines: To meet eligibility, the broker must submit and have issued at least 40 eligible product applications (any combination per the eligible products). When the minimum baseline number of qualified applications (submitted & issued) is met the bonus will pay starting with the first eligible application.
5. All eligible plans must be in force for a minimum of three months (90 days) after the effective date to count as “issued.” Coverage must be in force with premium payment current at the time of the incentive payout to be included. If the customer cancels within 90 days, it will not be counted as an incentive eligible application, so you will not be paid out for it. This is why the incentive payout does not begin until at least 90 days after the start of the contest.
6. Incentive will be paid over a series of rolling months and will not exceed seven payouts. This schedule is designed to eliminate chargebacks and ensure proper payment on qualified plans. The All in, all Summer Incentive monthly payout will begin in October 2026 and run through May 2027. Incentive payout only begins when the required incentive eligibility is met. Any broker eligible for this incentive must have an active contract with Golden Rule Insurance Company and be in good standing at the time of payout to receive earned incentive.
7. Bonus follows the Assignment of Commission Form you have on file at the time the application is received, for each qualifying application.
8. These bonuses will be subject to a managing broker commission split, if applicable. Otherwise, applications cannot be split between brokers.
9. Bonuses are paid per broker, based on his or her personal production.
10. Qualification is based on production as broker of record.
11. Any separate applications of family members for the same product type count as only one application for this contest.
12. Bonus is paid as described above.
13. Golden Rule Insurance Company reserves the right to make final judgment on contest qualifiers, modify terms or end this contest at any time without prior notification. Coverage that is withdrawn or does not meet the terms listed in these rules will not count toward the baseline and/or contest bonus.
14. Brokers are solely responsible for any required disclosures to their clients. A bonus is considered indirect compensation and will be reported as appropriate under the Consolidated Appropriations Act, 2021.
15. This contest is intended for the specified contracted and appointed brokers.
16. Select Key and FMO contracted agencies may not be eligible.
17. Bonus is taxable income and will be reported on an IRS MISC 1099.
